OSLO freestanding collection

Un'innovativa collezione di accessori freestand realizzati attraverso l'impiego di componenti in ottone lavorati meccanicamente, caratterizzati da differenti finiture cromatiche e capaci di arredare lo spazio bagno attraverso un'estetica minimale e contemporanea.

Gli accessori freestand OSLO vogliono rappresentare quanto di meglio il Made in Italy è capace di esprimere nel mondo dell'arredamento.

An innovative collection of freestanding accessories to experience the bathroom space with no constraints. New minimal and contemporary design concepts, made using brass components that are manufactured mechanically and featured by different high resistance lacquered finishes.

OSLO freestanding accessories represent the Made in Italy style that characterizes the furniture world.
